

HEAT RESISTANT

HEAT RESISTANT HAND PROTECTION

If you can't stand the heat, reach for a set of our Leather Heat Resistant gloves. Comfortable stretch elastic cuffs make for easy glove removal, and digitized goatskin leather adds incredible dexterity when handling hot materials. The Leather Heat Resistant is protected by Kevlar® and lined with Kovenex® performance fabric to protect your hands from high-heat risks.

HEAT PROTECTION

Kevlar® back of hand heat protection.

HEAT RESISTANCE

Digitized goatskin palm lined with Kovenex® heat resistant fabric.
